<u>Health</u>	If you have any concerns with respect to experiencing a high-speed drive with some muscle jarring and high G-forces, it is recommended that you seek professional medical advice and advise us immediately if you wish to transfer, postpone or cancel your booking. This is not a suitable activity for drivers who are pregnant .
<u>Driver's Licence</u>	The race vehicles use a manual gearbox and drivers without a manual driver's licence would find it extremely difficult to operate these vehicles. If the driver has not recently driven a manual car, please do so in the week prior to your drive. An automatic vehicle may also be available on the day.
<u>In-Car DVD</u>	Optional in-car DVD is available for purchase at the track on the day of your drive for \$49. The V8RACE Experience Official In-car DVD is operated under extreme conditions and is subject to a 3-5% technical failure rate. The audio between the driver and in-car coach is not recorded or audible on the DVD. If your DVD quality is affected by a technical malfunction, please mail it back to us for a full refund. We are unable to re-stage the drive due to video equipment malfunction.
<u>Weather</u>	Rain may cause some stoppages or delays to the event. If it is raining prior to you leaving home, telephone 0400 226 219 for a recorded message on the latest track conditions. If bad weather results in your drive needing to be postponed, please rebook without penalty with our customer service team during normal business hours.
<u>Expiry</u>	This voucher is only valid for 12 months from date of purchase.
<u>Re-Booking Fee</u>	A refund less a \$30 administration fee will be credited to you if you cancel after purchasing. Booked drives can be rescheduled any time prior to 7 business days before driving. Booking changes within 7 business days are subject to a \$30 rebooking fee.
